## INSTRUCCIONES DE USO DEL CATÁLOGO DE DESPIECE

Este catálogo de despiece se debe utilizar para pedir piezas de recambio. Contiene todas las piezas del modelo 4RIDE MST260R 2024.

### 1) CÓMO PEDIR PIEZAS

- \* Los pedidos de piezas de recambio deben contener tanto el número de pieza como los números estampados tal como se describe a continuación. Esto se debe a que todos los cambios y modificaciones de piezas se registran en HONDA con los números de pieza y estampados pertinentes.
- \* Si se indica "N" en la columna de la cantidad, significa que las piezas se utilizarán cuando sean necesarias.

### 2) CÓMO LEER ESTE CATÁLOGO DE DESPIECE

- Generación del número

- \* Piezas generales (Ejemplo)

- \* Tornillos, tuercas y otras piezas estándar (Ejemplo)

#### \* Abreviaturas

En este catálogo de despiece se utilizan las siguientes abreviaturas.

|          |                           |
|----------|---------------------------|
| C.A.     | Corriente alterna         |
| CONJ.    | Conjunto                  |
| COMP.    | Completo                  |
| G.       | Gramo                     |
| IZQ.     | Izquierdo                 |
| C (100C) | Conexión (100 conexiones) |
| mm.      | Milímetros                |
| DER.     | Derecho                   |
| STD      | Estándar                  |
| D (21D)  | Dientes (21 dientes)      |
| gr.      | Grosor (mm)               |

\* Incluye extracción e instalación de motor

This exploded view diagram illustrates the assembly of a 125cc engine. The components are numbered 1 through 47. The main assembly includes the cylinder head (1), cylinder block (3), crankcase (4), and crankshaft (6). The crankshaft is connected to the piston (19) via the connecting rod (13). The piston is equipped with rings (21, 22) and a pin (10). The crankcase features a breather (2) and a breather filter (27). The crankcase is secured with various bolts (14, 15) and washers (12, 16). The crankcase is connected to the crankcase cover (5) via a gasket (31) and a bolt (40). The crankcase cover is secured with a bolt (40) and a washer (41). The crankcase cover also features a breather (34) and a breather filter (33). The crankcase cover is connected to the crankcase via a gasket (28) and a bolt (29). The crankcase cover also features a breather (34) and a breather filter (33). The crankcase cover is connected to the crankcase via a gasket (28) and a bolt (29). The crankcase cover also features a breather (34) and a breather filter (33). The crankcase cover is connected to the crankcase via a gasket (28) and a bolt (29). The crankcase cover also features a breather (34) and a breather filter (33).
